

Parent Promise

Our founding pillars dictate that at food stories, we have the best interest of your children at heart. We operate on a strict method of creating fresh food every day with the help of our talented team on site which would be loved by all our students.

We are open to feedback and we will work closely with student councils and Parent associations.

We are committed to sourcing only the best ingredients for your child's meal and we will serve in an environment which is welcoming, friendly and enjoyable.
